## EXHIBIT D - INDIVIDUAL DEBTOR'S STATEMENT OF COMPLIANCE WITH CREDIT COUNSELING REQUIREMENT

Warning: You must be able to check truthfully one of the five statements regarding credit counseling listed below. If you cannot do so, you are not eligible to file a bankruptcy case, and the court can dismiss any case you do file. If that happens, you will lose whatever filing fee you paid, and your creditors will be able to resume collection activities against you. If your case is dismissed and you file another bankruptcy case later, you may be required to pay a second filing fee and you may have to take extra steps to stop creditors' collection activities.

Every individual debtor must file this Exhibit D. If a joint petition is filed, each spouse must complete and file a separate Exhibit D. Check one of the five statements below and attach any documents as directed.

1. Within the 180 days <b>before the filing of my bankruptcy case</b> , I received a briefing from a credit counseling agency approved by the United States trustee or bankruptcy administrator that outlined the opportunities for available credit counseling and assisted me in performing a related budget analysis, and I have a certificate from the agency describing the services
provided to me. Attach a copy of the certificate and a copy of any debt repayment plan developed through the agency.
2. Within the 180 days <b>before the filing of my bankruptcy case</b> , I received a briefing from a credit counseling agency approved by the United States trustee or bankruptcy administrator that outlined the opportunities for available credit couseling and assisted me in performing a related budget analysis, but I do not have a certificate from the agency describing the services provided to me. You must file a copy of a certificate from the agency describing the services provided to you and a copy of any debt repayment plan developed through the agency no later than 14 days after your bankruptcy case is filed.
3. I certify that I requested credit counseling services from an approved agency but was unable to obtain the services during he seven days from the time I made my request, and the following exigent circumstances merit a temporary waiver of the credit counseling requirement so I can file my bankruptcy case now. [Summarize exigent circumstances here.]

If your certification is satisfactory to the court, you must still obtain the credit counseling briefing within the first 30 days after you file your bankruptcy petition and promptly file a certificate from the agency that provided the counseling, together with a copy of any debt management plan developed through the agency. Failure to fulfill these requirements may result in dismissal of your case. Any extension of the 30-day deadline can be granted only for cause and is limited to a maximum of 15 days. Your case may also be dismissed if the court is not satisfied with your reasons for filing your bankruptcy case without first receiving a credit counseling briefing.
